Upper School Lunch Expectations

All upper school students must eat lunch at the outdoor tables located on the south side and behind the upper school. **Eating on the sports court or turf areas is prohibited. Throwing food over the fence is also prohibited and will result in automatic detention.**

The following rules apply to both outdoor and indoor lunch:

- **Seating:** Students must remain seated at their table at all times, except when disposing of trash, using the restroom, or getting water.
- **Noise Level:** Maintain a normal indoor speaking volume at all times.
- **Hallway Access:** A maximum of two students may enter the hallway at any one time to use the restroom or water fountain. Students must carry a hall pass.
- **Clean-up & Dismissal:** Students are responsible for disposing of their own trash and wiping up personal spills. Teachers will dismiss students by table once the entire table area is completely clear.
- **Clean-up Crew Role:** The assigned clean-up crew is responsible only for wiping down and putting away tables. They are not responsible for cleaning up trash left by individual students.
