

4 Ways to Raise Money for Your Classroom Account!

It is our hope that by simplifying the fundraising opportunities for your kiddo's class each year, we can put our focus on these 3 events and make them spectacular!

1.

Early
Fall

Fun
Run

Collect sponsorships from friends and family to support our kiddos as they RUN RUN RUN for MPCs! Classrooms that reach their set goal will get a \$400 bonus to their classroom funds.

2.

Late
Fall

Winter
Market

Each grade will be given unique opportunities they can bring to the event to raise money. Some examples are Gnome Homes, Twinkle Star Cafe and Little Elves' Shoppe. 100% of funds raised at the event go directly to the classroom funds.

3.

Early
Spring

Annual
Auction

Classroom projects are always a popular and hot item, raising the highest bids at our Annual Auction! Fifty Percent of the money raised from Classroom Projects WILL GO DIRECTLY BACK TO THE CLASSROOM FUNDS!

4. (Optional) **Dedicated Class Fundraisers** have been set for each grade and the information will be shared at the beginning of each school year. It is up to the classes to organize each effort as a team.
New Ideas can be submitted to the Fundraising Committee.

Classroom account money can be used at the teachers discretion for class trips, larger activities and classroom supplies. As funds are raised, they accumulate and stay with your child's classroom grades 1-5 and 6-8! Unused money from 5th grade classes will be split between the 6th grade classes as they move into Upper School.
